Here is the MOA just before I signed it on Feb 2, 2018. I presume it was date stamped by Decota, not sure, but it was the wrong year. Following this, Maria sent it out to everyone – Keith, Mike, etc.

I'd be glad to send you, Cheryl, a correction so as you can simply forward if needed.

M

Marc,

Attached is the MOA with Keith's signature. Let me know if you can come to the 10<sup>th</sup> floor to sign it. Decota will have it ready for you. Once you sign it, I will scan it and send it back to everyone.

Thank you,

Hi Keith,

IT has confirmed that WiFi can and will be provided in the PortaFab. I revised that section reflecting this information. I excluded the "60 days" as we don't know how long it will take, it could be sooner or later, but it will happen. Attached is the final version of the MOA for your signature. Please sign, date and send it back to me for Marc's signature.

Thank you,

Hi Keith,

Attached is a clean copy of the final MOA for your signature. The one I sent you earlier had the DRAFT watermark on it. Sorry for the overlook.

Good Morning Keith,

Attached is the final MOA with your edits accepted (the two items we have agreed to remove). Also note that the other change on it is the Wi Fi issue, which I understand Marc has informed you of.
